The closest bus stops are:

Bus 75: stop *école vétérinaire*

Bus C6: stop *Chantrerie* (terminus). 10-minute walk from the vet school.

From the city centre, take the **tramway Line 1** and get off at **Beaujoire** (or Ranzay). Take the C6 or 75 bus.

The bus company is called Tan (<https://www.tan.fr/en>). Bus tickets can be purchased for between 1.5 and 2€. There are vending machines in the main stations or virtual tickets can be purchased from a phone app.

Accommodation options

The 3 main options are:

- **City centre:** both the C6 bus line and tram line 1 go through the city centre. If you take the tram, you will need to make a change at Beaujoire or Ranzay. From the city centre, you should be able to reach the vet school in about 45 minutes. You can stay in *quartier Bouffay* (plenty of restaurants) or around *Château des ducs de Bretagne, cathédrale, jardin des plantes*. Prices range between 50 and 120€.
- **Beaujoire/Ranzay** are closer to the vet school, that you can reach in 15 -20 minutes. It is not as nice, but it allows you to reach both the vet school and the city centre easily (~20 minutes). Again, prices are in the range 50 to 120€.
 - *Logis Hôtel le Beaujoire* is probably the closest to the bus stops. Website [here](#).
 - *Brit Hotel Nantes Beaujoire*. Website [here](#).
 - *Appart Hôtel Résidence CERISE Nantes La Beaujoire*. Website [here](#).
- **Close to the vet school.** The *Hôtel de la Régate* ([here](#)) is a 10-minute walk from the vet school. It is the best option if you are traveling by car, or if you would like to run in Parc de La Chantrerie in the morning or in the evening. Prices are at around 160-200€ per night.

Reimbursement Scheme

All physically attending participants are eligible for the reimbursement of incurred accommodation, meals, and local travel expenses in the country where the meeting takes place is paid as one item known as daily allowance.

During the training school all participants must sign the attendance list for each day to be considered eligible for reimbursement.

The daily allowance considers the participant's travel start and end dates and hours. The daily allowance rate is determined based on the country where the event takes place [**France 195 EUR/day**].

No invoices for accommodation, meals, and local transport in the country where the meeting takes place are required. In the cases when the travel dates to and from the event cannot be determined, the participant shall provide any documentation attesting their travel dates so that the daily allowance can be correctly reimbursed.

Participants whose primary affiliation is in the country where the meeting takes place, if they travel less than 100 km (one way) in the country where the meeting takes place, are invited to claim only the part of the daily allowance intended to cover the short-distance transport expenses.

More information on transport expenses (car travel, airplane/train/bus/ferry travel) can be found in Annex A1-3 of the [COST Annotated rules document](#).
